RC Antipolo Centro Reaches Out to embrace The Little Children's Home

Early in the morning of Friday July 01, 2011, the new president of the Rotary Club of Antipolo Centro, (Zone 9, District 3800) Mr. Randy Mandap, led its members in a gathering at Lores Country Plaza Brgy. San Roque to donate goods and other food items to an orphanage.

PP Elmer Baltazar, PP Vic Arabit, IPP Durante "Jojo" Pascua, PE Teddy Immaculata, PN Eric Gadon and I, Rtn. Domingo Gabiola were in attendance to carry out the noble cause to reach out to The Little Children's Home. Armed with baby alcohol, baby shampoos, bath soap, oatmeal, milks, rice, sugar, some medicines, balloons and ready-to-eat foods, our group did not waste much time to see the children.

The orphanage located at Liwayway St. Brgy. Dolores Taytay Rizal was quite a distance from Antipolo City from which RC Antipolo Centro is based. However, it is not very far as the Rotary Club can come to help and assist anywhere.

With the Rotary International's new theme for the Rotary Year 2011-2012 of "Reach Within To Embrace Humanity", RC Antipolo Centro has started with a very relevant project and a much timely initiative to consider first, the children.

The Club arrived at the target site at 10:49 A.M. and Sister Connie, Lenny and Joy- staffers in The Little Children's Home were very cordial and thankful to receive us. They introduce the Club members to the children while the balloons were being put up around in the humble but spacious house. The goods were unloaded and presented at once to the children and staffers of the orphanage.

A lot of picture taking followed for souvenirs and experience. Talks about how the orphanage started were shared to the Club with enthusiasm by Sister Connie knowing that they have the noblest of tasks to serve humanity through children's care. "They Will Bear You" is the sign on the wall to remind people in the house of the promise the children can bring to the future. Rotarians offered and shared lunch with the social workers with the foods they brought along.

There were ten children, five young boys and five young girls under the care of the social workers including five infants in a separate nursery room, two of which were girls and three other baby boys. Sister Benita, Sister Agnes and Sir Bing were the helper social workers with the staffers overseeing the children.

After the gift giving, RC Antipolo Centro President Elect Teddy Immaculata hosted a fellowship lunch for the Rotarians at the "Bahay Kawayan" restaurant also in Taytay Rizal where they met former government DENR Secretary "Mike" Defensor.

RC CAINTA

RC Cainta welcomed the Rotary New Year 2011–2012 with a children's party for 30 Kinder pupils of Juan Elementary School of Cainta, Rizal. At the same time the club's annual Nutrition and Feeding Program was launched. The whole place was decorated with colorful balloons and party banners. Everyone wore colorful animal-themed party headdress. Nursery rhyme songs filled the air to set the children's party mood.

Our club was honoured by the presence of Lady Minda, DS Jun Zafr and Spouse Judy who joined our party from start to finish. We were also joined by two visiting Rotarians from RC Hwasun, Korea, our International sister club. Four non-Rotarian friends from Canada and USA also joined us to witness the launching of the Feeding Program of which they are benefactors. They were paired with their beneficiaries and posed for picture-taking.

Everyone was treated to a nutritious meal of rice, pork menudo and pancit with lots of colourful veggies, banana and fruit juice. The importance of eating healthy food was emphasized. After eating, the kids gathered around the party cake, blew the candle altogether and joined the Rotarians in greeting everyone a "Happy Rotary New Year!!"; After the party, Lady Minda assisted us in giving each child a school backpack filled with school materials and goodies! The school bag has a Rotary Club logo and a tagline that says "Mahal AKO ng Rotary! The celebration was like hitting 4 goals- in-1. First, the children's party to welcome the new Rotary Year. Second, Feeding Program was launched. Third, we had the rare opportunity of being joined by visiting Rotarians from our International sister club and non-Rotarian friends and benefactors from abroad. Fourth, the Rotary backpack served to promote Public image, as the children will be reminded everyday that Rotary cares for them. Indeed, it was a fun-filled "love sharing day for all! Ready and Happy to Serve!

RC RIZAL CENTRO

COTTOLENGO Filipino (CF) in San Rafael, Montalban, Rizal is RCRC's second adopted Childrens' Center. It is being managed by the Italian Salesians and is home to abandoned children WITH PHYSICAL AND MENTAL deficiencies. They currently have 40 children – all with deficiencies of different sorts – and only 25 of them can eat/take meals with a little help from attendants. The remaining 15 children physically cannot eat and have to be fully assisted or fed intravenously.

RCRC also visits CF on a quarterly basis. We, however, are not alone in helping CF. There are at least four more Rotary Clubs that have adopted CF as well and they are: R.C. San Juan Del Monte, R.C. San Juan Gems, a club from Makati, D3830 and a club from Q.C., D3780.

Last July 3, 2011, seven Centroans visited CF and handed out were: 5 sacks of rice (50Kilos each) from PP Rey Carpio; 5 sacks of rice (20 kilos each) from PP Freddie Noriel; Gardenia bread from PP Tom Rocamora; canned goods from our Treas. Susan Fong; party loot bags from our Dir. Jenny Senga; toothbrushes and toothpastes from our PP Rene Ponti; Jolibee snacks from PP Rey Carpio/PP Jojo Lorenzo and powdered milk from yours truly.

CF is one place that will make you cry but smile at the same time as the kids do their best to talk to express their gratitude/ thanks for the gifts they receive and for the visit. This is the good part of it all but one needs to be strong to see the other kids lying in bed helpless.

RC METRO EAST TAYTAY

Last July 1, 2011, RC Metro East Taytay celebrated the Rotary New Year 2011-2012 by hosting a simple Children's Party to 53 pre-school indigent children (ages 3 – 6 years old) at Genesis Day Care Center located in Block 35 Sitio Batasin, Floodway "A", Barangay San Juan – one of the depressed areas in Taytay, Rizal.

The party started at 11:00 AM, which was facilitated by Mr. Christopher M. Mariano – a Day Care worker in-charge of the Center, assisted by his staff and the children's mothers. The kids recited a short prayer and were introduced to their Rotarian hosts. Project chair, GP Clifford Equila, and PP Eric Santos took turns in greeting the children a Happy Rotary New Year. MP Jim explained what is Rotary in their level of understanding and the reasons why we Rotarians were there that day. Various parlor games ensued, e.g., Hula-hoop contest, Bring Me Game, Careless Whisper and Pataganan Game, etc. where the kids, and even their mothers, eagerly participated. Special prizes were given to the winners and consolation prizes were handed to non-winners. After that, everyone was treated to delicious snacks of pancit, cup cakes, fruit juices and water. Rotary marked T-shirts, courtesy of IPP Clifford Equila, and dental supplies (toothbrush & toothpaste) were distributed to the children.

Since July 1 was the start of a new year of rotary service, RCMET took it as an opportune time to hold the club handover ceremony where GP Clifford Equila turned-over the baton of club leadership to MP Jimmy Rosillo. It was an abbreviated ceremony and has not hampered the merriment of the children, who witnessed the occasion.

The 3-in-1 affair ended at around 12:30 PM. Somehow, the celebration has demonstrated once again Rotary's interest in the children's welfare, and that we have absolutely shown those 53 pre-school children that Rotarians truly care for them.

For documentation purposes, we have attached some pictures (with captions) which were taken during RCMET's 3-in-1 affair last July 1, 2011.

ONE PASIG ZONE

One Pasig has two parties scheduled as follows:

1. Holy Family Parochial School - this school is located in Bgy. Kapitolyo, Pasig. We will cater to about 300 children, ages 6-10 years old. We will present the Four-Way Test to young kids in a manner that they can appreciate. It is our belief that there is no such thing as a minimum age limit by which kids can learn the value of honesty, integrity, friendship, and fairness. This school has been a baby of RC Pasig West for quite sometime and One Pasig has decided to support it for this undertaking.

2. Makabata Foundation - RC Pasig East has a soft heart for children who are dire need of financial support. Hence, they targeted this school located in Bgy. Sta. Lucia, Pasig. The party will be supervised by their Interact Club and One Pasig has decided to support this special event as well. The RC Pasig East had a successful children's party at the Makabata School Foundation with 157 students and about 30 school staff in attendance. The children immensely enjoyed the mascots, games and food from McDonald's. Everybody had a loot bag of personal and school stuff, toothbrush and orange juice from Coca-Cola c/o PP Roland. PP Chris donated five sets of computers aside from his Dental B toothbrushes. Pres Jer-

rick also inducted the new sets of officers and members of our Interact Club in Makabata. We will submit photos and videos in DVD format. Thanks and Happy New Rotary Year!
