

ROTARY INTERNATIONAL DISTRICT 3800

GOVERNOR'S MONTHLY

JUNE 2012

LETTER

Congratulations!

MAJESTIC TEAM

DISTRICT 3800 AWARDS NIGHT

NOTHING WILL KEEP US FROM OUR DESTINY!, WE WILL MAKE ROTARY HISTORY!

**ROTARY DISTRICT 3800, RY 2011-2012
DISTRICT RECOGNITION AND AWARDS NIGHT**

A GLORIOUS NIGHT

By Reynaldo C. Lugtu, Jr.

It was a glorious night! It was only my first month as a Rotarian and I was immediately, yet pleasantly, immersed in the annual tradition of the Rotary International District 3800 Recognition and Awards Night.

Being a part of the host club, I arrived early before 4PM in Elements Tent in Centris Walk, not knowing what to expect, as I never had the chance to ask my fellow Rotarians in the Rotary Club of Ortigas Center. It was my first time as well to see this much talked-about venue, popular for corporate events, weddings and concerts. I thought it was a good choice of venue due to its accessibility and capacity.

I was greeted by a bevy of volunteers in the registration area. With all smiles, they helped guide the Rotarians to the place.

As I walked to the red carpet entrance, I couldn't help but venerate the immensity of Paul Harris images scattered all throughout the tent, evocative of the Oscar Awards. I saw fellow RCOC Rotarians – IPP Boy Yaptinchay, PP Manny Torres, and PP Lito Lamson – standing right at the red carper entrance, making sure that all Rotarians were lead to their respective tables.

As a member of the host club, I wanted to lend a hand in making sure that everything was in order. I searched for the Chairperson of the District Recognition and Awards Committee and Past President of RCOC , the indefatigable SDG Luz Cotoco. She has been very accommodating and helpful from my first attendance in RCOC, so I wanted to be part of the host club duties. As I was lead to SGD Luz, for a second I wasn't able to recognize her - she was wearing a chic white gown. I complemented her profusely. I asked if she needed help.

She gave me the task of handing out rose flowers made of cloth to fellow RCOC members – the big ones for the men and the small ones for the ladies. These were to be pinned on the chest of the coat or gown to identify the host club members. "Rtn Rey, do you know all the members of RCOC", she asked. I quipped, "No, but I'll find a way".

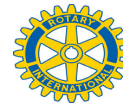

I started to give the cloth flowers to my fellow Rotarians. I waited in the red carpet entrance for the other fellow Rotarians to come in, but I was worried that I might be missing out on the other fellow Rotarians I didn't know.

Majestic Governor's Message

DG RAFAEL M. GARCIA iii

Rotarians are often hesitant to accept a position like the presidency of their club. Fortunately, the term is only one year, Rotary so planned it, so that you only have to give one year of yourself.

But at around this time of the year, you can already tell that the Rotary year is almost over. Time for handovers, and awards nights! And tonight is the grandmother of all awards nights. The D3800 District Awards night!

D3800 has been leading our Zone, not just the Philippines, in TRF contribution and membership growth. We made people take notice of the little mouse that roared!

And the Majestic team has made it's own mark in the Rotary world. "Double our Membership" has been their battle-cry! Make Rotary affordable! In the end, it didn't matter whether you were Loving, Serving, Leading, Sharing, Heroic, Visionary, Global or Majestic. What was important is that we were all Rotarians from District 3800, striving to make a difference in the lives of the needy. And indeed, making a real difference!

"Reach Within to Embrace Humanity!" was the call of Rotary International President Kalyan Banerjee to the nearly 1.2 million Rotarians around the world this past year! Be the change that we want to see in the world, he exalted all of us. And you were!

On this culmination of our year of service, the night when we recognize the great Rotarians who put in their time, talent and treasure to help others, let us thank and honor these great Rotarians for all their great efforts to make Rotary history!

Maraming salamat sa inyong lahat. Sa ngalan ng lahat ng inyong tinulungan, maraming maraming salamat!

RAFAEL "Raffy" M. GARCIA III
District Governor, RY 2011-2012

Then I saw fellow Rtn Camill Reyes, who was equally stunning in her gown. I asked her to help distribute the cloth flowers to fellow lady Rotarians. With a sigh of relief, it was good she gladly helped, as I still couldn't remember the names of other RCOC fellows.

I saw PP Glo Cotoco, who was wearing a chic dress. I told her she looked great and I didn't recognize her. "Rtn Rey, you wouldn't recognize most of us in events like this", she cracked.

As Rotarians started to pour into the tent, I was simply awestruck at the grandeur and pageantry of the awards night. Rotarians, with their spouses in sleek coats and elegant gowns ala Oscars, paraded the red carpet as they walked to their tables.

Many Rotarians had their pictures taken in the photowall - some in pairs, most in groups. In my mind, it showed how camaraderie is built among Rotarians, which was admirable.

Camill and I finished distributing the cloth flowers to our fellow Rotarians. We tried out the free drinks sponsored by a Rotarian; we got each a glass of flavored vodka. We stood at the red carpet entrance together with other RCOC fellows, greeting those who come in. Lest I get inebriated, I finished only a glass of vodka to join my fellow Rotarians in the photowall. It was a pleasant sight and experience when we all squeezed together to fit the photowall, with all laughs and giggles as they made different poses.

Then, the voice over announcer asked everyone to take their seats as we prepared to start the program. All RCOC members lined up and readied at the entrance of the red carpet, to prepare for our dance entrance together with Team Mars of GMA7 Eat Bulaga and Party Pilipinas. The dance groups roused the crowd with an energetic dance number, with all its acrobatic moves. Then at the end of it, the lady dancers held majestic President Nico Molina as he led our dance entrance to the stage.

The dancers, in their final move, converged at the center of the stage; and with a big ending blast, uncovered District Governor Rafael "Raffy" Garcia III; and he called to order the Recognition and Awards Night.

Chairperson for this year's Recognition and Awards Night, PP Eduardo "Ed" Lucero and SDG Luz Cotoco, delivered their welcome address. Rightfully so, they were thankful for the Rotarians who help organize the momentous event. It was a stellar achievement for them to have organized a significant event like this.

The opening remarks of DG Raffy Garcia III was truly moving. I was literally glued at his speech, admiring his leadership in steering Rotary International District 3800 to where it is now. I was particularly touched when he said that he insisted, in front of Rotary International, on giving so many deserving awards to the members of District 3800. There were about 700 awards given during that night, in recognition of the efforts of fellow Rotarians to further that vision of Rotary International.

Past Presidents Raymond Samson and Joy Valenton ably hosted the long, yet meaningful program. PP Joy was in her usual jovial self, wearing a head-turning flower-like dress.

Rotarians were treated to a sumptuous dinner while being serenaded by Route 70. What was also a big hit was the Banchetto stalls right in front of the red carpet entrance, which provided temporary relief to some discerning appetites.

Unfortunately, I was not able to finish the program as I had to drive to Laguna to join my staff in their team building activity. But I was sure of two things when I left – one was that the rest of the program was going to be as meaningful and grand under the helm of SDG Luz; the other, and probably the most significant one, was that I belonged, proud, and will stay a Rotarian.

THEIR THOUGHTS ON THE DISTRICT AWARDS . . .

"It is my pleasure to congratulate you on the special accomplishments being recognized tonight. This is a wonderful opportunity for you and your fellow Rotarians and friends of Rotary to come together as a team: a Rotary team that works to make the world a happier, friendlier and better place."

RI President Kalyan Banerjee

"The awards night is not only for us to recognize and celebrate what the 88 clubs and it's Presidents have done in the Rotary year but to continue the burning spirit of what we have started at the beginning of the year and to pass it on to our successors."

PDG Jaime "James" O. Dee

"The awards that we receive year in and year out are nothing really compared to the satisfaction of doing good in this world. More than the awards and recognition, we Rotarians do what we are known for because of our commitment to Rotary's motto of "Service Above Self".

IPDG Virgilio "Jun" G. Farcon, Jr.

"District Awards is one of the most important activity of our District and rightly so. For all the efforts that the Rotarians have done for the year, the least that the District Leadership could give is a token of appreciation. For us Rotarians, awards, are of secondary importance. Service is our business and way of life. We get satisfaction and fulfillment for all the deeds that we do. And that is more than enough for us to continue serving."

IDG Lirio "Lirio" P. Sandoval

The Awards Night is indeed a time for recognition of individuals, clubs and projects or programs that in the year past have promoted the ideals of service and the cause of Rotary, let us thank God for people like them whose purpose in life is to serve above himself. We pray for Rotarians like them so that their folds may increase

DGE Luizo "Louie" C. Ticman

The Annual District Awards Night is merely a governor's simple way of saying "Thank You" to Rotarians and their clubs for giving their all in our ending quest for lasting peace in the world. The words "Thank You" are priceless and go straight to the hearts of Rotarians. This is the very reason why the District Awards Night is the culmination of each district's work during the Rotary year.

DGND Marilou "Marilou" O. Co

While it is a yearly tradition that we recognize the achievements of our fellow Rotarians, I am certain that they strive to attain the same without expecting anything in return – simply stated: "SERVICE ABOVE SELF". Nonetheless, as we approach the end of this Rotary Year, it is only proper that we recognize the achievements of our fellow Rotarians as a result of their significant contributions and tireless efforts devoted to Rotary and to the community for the last twelve months – and for such contributions and efforts, CONGRATULATIONS

RCOC President Roman Nicholo S.E. Molina

This event is a wonderful tradition and an opportunity for District Governor Rafael Garcia III to recognize and award his team in grateful recognition for making his administration a tremendous success in implementing this year's Rotary Theme: Reach Within to Embrace Humanity.

RCOC Awards Night Chair PP Roy Eduardo Lucero

I want to thank all Majestic Presidents and Offers for their cooperation and support, without which our work as the District Recognition and Awards Committee would have been futile. With so many activities, projects, accomplishments and contributions occurring simultaneously in 9 zones, it would have been next to impossible to record, keep track and even distinguish which activities were relevant, unique and life changing to our respective communities were it not for the attention given by each Majestic President and Officer. I would also like to thank my committee members: SDG Jun Angeles of RC Marikina South, SDG Jerry Lim of RC Valenzuela, SDG Bobby Rosadia of RC Metro Marikina and DGND Marilou Co of RC San Juan del Monte, for the time they spared and the experience they shared to help make our work less complicated and easy. Lastly, let me congratulate and thank our Majestic Governor Rafael "Raffy" Garcia III for his leadership, support and trust in our committee. I hope we were able to satisfy your expectations. Congratulations to all the District Awardees! You truly worked hard for this and you all deserve the awards that were given to you!

DISTRICT AWARDS COMMITTEE**
