December 2013 Issue

The Governor's Message

The Message of District Governor Luizo "Louie" Ticman during the District Christmas Fellowship.

Greetings!!!

"Soul Train" is the theme of our fellowship tonight. Our host club, RC Pasig Sunrise thought of bringing us down memory lane - to the radical era of SDK, KM and other groups of student activists of the '70's.

SDK has double meaning though, it stands for Samahang Demokratikong Kabataan and Samahang Double Knit as well. Young Rotarians, alam at panahon ng mga magulang ninyo ito.

In the aftermath of super typhoon Yolanda, RC Pasig Sunrise agreed to downgrade this Christmas party into a subdued Christmas fellowship. Put our hands together to show our appreciation for the sensitivity of our host club.

Christmas is a season for thanksgiving. First and foremost we all must thank the very reason for this season, our Savior Jesus Christ. We thank Him for giving us the opportunity to be of service to the least of our brethren, to serve and not be served. We thank our creator as well for the gift of service to mankind, for his glory, not ours.

Second, our district owes a lot the past six months to many leaders in our organization.

We have the major committee chairpersons:

PDG Jun Farcon for working hard to achieve our membership goals. He is ably supported by CP Mel Felix of Recruitment and Retention, and CP Jess Tan of Club Extension. Helping the membership committee are the PDGs who chair the zone special membership teams.

PDG Fabie Enriquez, our DRFC and CP Manny Reyes for excellent works on our TRF goals.

PDG Efren de Guzman of Service Projects committee, and CASPI under Lt. Gov. Bobby Rosadia on our flagship project.

PDG James Dee on Club Administration with full support from Vice Chair Lito Bermundo on fellowship activities.

The Governor's Message

(...continued from page $\bar{1}$)

Third, our operations group led by Lt. Gov. Tom rocamora, the deputy district governors and the assistant governors.

Fourth, Lt. Governors Nelson Aspe of Finance and Jun Angeles of Programs.

Fifth, district secretariat headed by DS Dan Santos. We have our deputy district secretaries, DGA, SEAGs and all the other district officers.

Sixth, the spouses who are always supportive of our humanitarian projects and fellowship activities.

Seventh, the First Class Presidents who are at the helm in their respective clubs.

Lest we forget, our generous donors, in cash and in kind for the victims of super typhoon Yolanda. Because of their charitable hearts, we were able to immediately send cash assistance to District 3860 whose District Governor Ed Chiongbian appealed for immediate help to enable them to purchase food, water and medicine.

We likewise sent help in other affected areas thru the Mayors' League of Leyte, Mayor Sandy Javier, whom I introduced to PP Muffet Manahan, Chair for Calamity Resource Generation. Chairman Muffet also went to Tacloban and other Yolanda-devastated areas to provide relief assistance to the victims. Other Rotarians, and clubs of our district provided direct relief support to the victims as well.

For our current efforts, we created an interim committee to look after our efforts to help on reconstruction and rehabilitation. This committee will be headed by Lt. Gov. Jun Angeles. PDG Tony Puyat will be an adviser to this committee.

Our target beneficiaries are fishermen, farmers, ordinary employees who will be identified and screened.

Our approach will be focused in consideration of our limited resources for this. We may adopt a barangay or town, and/or associations, cooperatives etc.

We will partner with other organizations including Rotary districts or clubs for more effective and efficient implementation of our plans. Rehabilitation and reconstruction will certainly take years. We have to brace ourselves for this.

Once again, let us put our hands together to show our deepest gratitude to RC Pasig Sunrise: Chair Brando Baranttes, First Class President Dennis Umaly, all the members and spouses.

Enjoy the rest of the evening!!!

DISTRICT TENPIN BOWLING TOURNAMENT

Coronado Lanes, Starmall, Mandaluyong City

The District 3800 Tenpin Bowling Tournament 2013-2014 was a great success in terms of participation and enthusiasm from the 28 participating teams. It was held at Coronado Lanes in Starmall, Mandaluyong City. From Oct. 6 to Nov. 17, 2013, a Six-Sunday Tournament Playoff was welcomed with pronounced interest by the participating bowlers. For a period of less than two months the tournament progresses to be competitive and interesting.

At the start of the tournament there were views commenting that it was a long series but after the 3rd Sunday of the classification rounds the Bowlers felt that the competition was shaping up to be a real competition. Obviously manifested by the evolving intensity and interest, the Bowlers engaged to play their best. The 6-Sunday playoff was welcomed with great enthusiasm. After a year of lackadaisical 2012 Tenpin Tournament experiment on a 4-Leg playing format hosted by 4 different clubs the experiment failed to get the interest and wider participation of the bowlers. The District recognized the result thus, the District Chairman presented to revert to the more challenging and interesting format which progresses to a more serious competition after a series of games.

Bowling tournaments draw people's interest based on the level of competitions and options provided. The success of the tournament is decided by the wide appeal and competitive degree of the events to attract bowlers. The event was so designed to attract pro bowlers, amateurs, beginners and their families regardless of the experience. We aptly provided the tournament with format that resolves the issue of groupings in the same level of competition. After the 4th Sunday Classification Rounds, all the 28 competing teams played until the finals to classify every team accordingly to the level of competitions. No team was eliminated but was classified and categorized to a five Division teams as follows - the Governor's Cup; District Secretary's Cup; District Deputy Governor's; Assistant Governor's and the President's Cup.

The 5th Sunday was the penultimate round for the Master's Game which was originally scheduled to three divisions only as follows: The Masters, Graded Masters and Associate Masters however, due to popular request of many bowlers who were present during the 5th game and in spite of my communication to the teams and bowlers qualified to play, the reserved players on the listing together with other players interested were allowed to play for the day. The Chairman immediately deliberated on the issue at hand together with the Tournament committee members in consultation with the players, and came up with a unanimous decision to allow interested Bowlers to play. The Host club provided additional trophies and medals for the Associate Masters B to delighted Bowlers.

Game Six - the finals, while waiting for the last two pairs to wrap up their games, the emcee, VP Jon Fraxidio, started to call on players who achieved a score of 200 pin falls scratch during the classification rounds. There were 25 Bowlers recognized as members of the 200 Club and were given a token for their achievements. During the closing ceremony, VP Jon Fraxidio called on PP Orly San Pedro to give a remark, recognizing and thanking every participant for the support, time, talent and resources shared for the success of the Tournament. He also took the opportunity to respond to the Governor's appeal to help typhoon "Yolanda" victims by turning over a check amounting to Pesos Twenty Five Thousand (P25,000.00) to Gov. Louie Ticman and in return a cash donation was given by the Governor to be added to the Host Club RC Navotas fund donation.

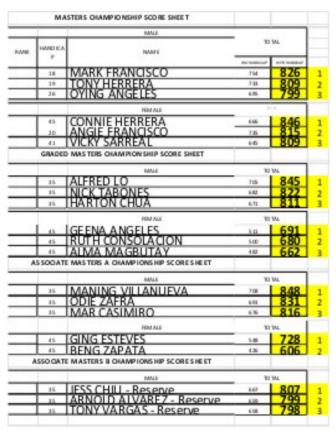

Furthermore, PP Orly San Pedro reiterated a personal request to Rotarians to respond to the Governor's appeal to help our less fortunate brothers and in an instant display of concern two First Class Presidents, FCP Gianna Montenegro of RC Sampaguita Grace Park and FCP Ed Manalo of RC Metro Novaliches Caloocan heeded handing over to Gov. Louie Ticman their respective Club's

contributions. The overall evaluation of the tournament is Rated A.

The final result of the tournament for Master's and Team Standing attached below.

2013 Rotary Youth Green Camp and RYLA Don't Be Mean, Be Green

The second annual Youth Camp and the yearly Rotary Youth Leadership Awards were held together this year at the Pranjetto Hills Resort from November 29 to December 1, 2013 and was jointly sponsored by very own Rotary Club of Mandaluyong, together with the Rotary Clubs of Pasig West, ManPaSan, and San Juan North.

Thanks to a Global Grant initiated by PP Albert Ang, the event was attended by around 100 Interactage (14 to 18 year-old) High School students and around 46 Rotaract-age young adults between 18 to 22 years old. Most of these kids and young adults were non-Interactors/Rotaractors who were chosen among the best students in the various schools in the District to expose them to Rotary. Our Club arranged for all the logistics while the registration was handled by RC Pasig West, and the content/program prepared by RC ManPaSan. Invaluable assistance was also provided by the Rotaract Clubs of Pamantasan ng Lungsod ng Marikina and Jose Rizal University.

The 3-day event started at around 10:00 am on Friday with an opening remark by our President Bert, followed by a statement from DG Louie Ticman. The delegates were then led through a series of activities and lectures on environmental awareness and how

the New Generation can help care for our communities.

The Rotary Club of Mandaluyong was represented by our President Bert, together with PDG Tony Puyat, PP Albert Ang, Youth Camp Chairman PP Herman King, RYLA Chair PP Louie Diy, and Head Marshall Gordon Stringer, who also recorded the event (please visit www.facebook.com/RotaryInternational District3800 YouthGreenCamp2013.

We, the organizers, would also like to express our gratitude to our Rotarian resource speakers PP Gener Dizon from RC Pasig North, PP Floro Francisco from RC ManPaSan, and our very own CP Mila Puyat from RC GReater Mandaluyong who gave a couple of talks about the Citronella plant and the much-awarded Dyaryo Bag project.

Special thanks are also in order for New Generations Chair PP Peter Quintana, Interact Chair PP Manny Tamayo, PP Diony Chan for the various give-a-ways, PP Menchie German for leading the daily Zumba dances and assisting in the various events, the members of the District Interact and Rotaract Committees, and PP Jonas Rivera for assisting and taking photos of the various events.

2013 Rotary Youth Green Camp and RYLA

(...continued from page 5)

The 3-day Camp ended with an "advertising competition" between the eight High School and four College groups on how to best get their 'Don't Be Mean, Be Green' message to the youth. There were cash prizes given to the best ads in the Interact and Rotaract categories and everyone had a good time watching the presentations.

One can tell that the kids had a lot of fun learning more about the environment by the energy, creativity, and motivation they put into this group project.

As with last year's Youth Camp, the final farewells were filled with promises to "keep in touch," "text me," and "add me on facebook" as the kids prepared to board the different buses that would take them back to the assembly points. The bonds they have formed

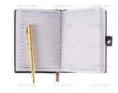

over the three days will surely lead to more cooperation between the various public and private schools in our District and will expose the new generation to Engage Rotary, Change Lives.
